MESSAGE FROM THE ALUMNI ASSOCIATION

Welcome to the Fall 2016 Convocation at The University of Winnipeg!

It is at this important moment that we congratulate the graduating class of 2016 as they celebrate the successful completion of their degree programs. For all of your hard work, and for all you will do in the coming years, we want to recognize and honour your achievements.

This year, The Alumni Association Council is proud to present internationally-renowned architectural historian Dr. Frank Albo with the Distinguished Alumni Award for his numerous contributions to The University of Winnipeg. In addition to Dr. Albo's impeccable academic record, his ground-breaking research on the Manitoba Legislative Building (the basis for his book, *T eHe e cC de*) continues to make an indelible impact upon architectural scholarship both in Canada and abroad. As a scholar of global importance and a prominent alumnus of The University of Winnipeg, Dr. Albo is a worthy addition to the University's distinguished list of honoured alumni.

Like Dr. Albo, today's graduates are poised to make their own impact on the world. The knowledge that our many students have acquired over the past years of dedicated study will undoubtedly translate into a legacy of leadership and lifelong learning.

On behalf of The University of Winnipeg Alumni Association and its more than 50,000 alumni, I extend a warm congratulations to our Distinguished Alumni Award recipient, Dr. Albo, and to all of this year's graduates. Today is a day of celebration!

Warm regards,

THE UNIVERSITY OF WINNIPEG COAT OF ARMS

The Coat of Arms of The University of Winnipeg was o cially adopted by the governing bodies of The University during the academic session of 1972-73. The elements found within the Coat of Arms have been associated over the years with both Manitoba and Wesley Colleges, the ancestors of United College. The bunch of grapes in the lower portion of the inner shield derives from the Coat of Arms of Manitoba College. The grape symbol has its origin in the College seal adopted in the charter of 1871. The cross, the lamp and the open book derive from the Coat of Arms of Wesley College, designed in 1897 by Dr. J.H. Riddell. The cross – the symbol of sacrificial service in the interest of humanity – was the basis for his design and u J.H. Rid2(r)-27.5 (g1-21.(i)s tCID 13436.4 (. R)-43.4 (i)-5.
