Pre-Professional Studies

uwinnipeg.ca/pre-professional

Pre-professional pathways prepare students for their professional program of choice, and they can be used to fulfil the admission requirements for professional programs at other universities in Canada, the U.S., and around the world.

Direct-Entry Pathways

Students in Canada do not begin studies related to many popular professions, including medicine, law and dentistry, directly from high school. These programs require several years of undergraduate coursework before students are eligible to apply.

While completion of a UWinnipeg pre-professional program does not guarantee admission into a professional faculty, you will benefit from our small class sizes, personalized instruction, and state-of-the-art science facilities.

Students must be aware of restrictions international students may face with admissions to professional programs, and they should do their own research on professional schools (which ones accept international students and their entrance requirements) prior to applying or beginning any of these programs. Many of our pre-professional studies lead to a bachelor's degree, which will offer flexibility and options for graduates.

Programs Available

- Pre-Chiropractic
- Pre-Dentistry
- Pre-Law
- Pre-Medicine
- Pre-Occupational Therapy
- Pre-Optometry
- Pre-Pharmacy
- Pre-Physical Therapy
- Pre-Physician Assistant

**Manitoba-Specific Immigration
Pathways for Students**

Manitoba is world-renowned for its innovative immigration program, the Manitoba Provincial Nominee Program (MPNP). The MPNP includes a priority assessment stream for international students who graduate from institutions in Manitoba and would like to stay, work, and live in the province.

The Career Employment Pathway provides faster nomination pathways for post-secondary students who graduate and find long-term employment in Manitoba in an in-demand occupation consistent with their training.

Tuition and Fees

uwinnipeg.ca/intl-fees

Students benefit from Manitoba having one of the lowest tuition rates for international students in Canada. American students also benefit from the favourable exchange rate to the U.S. dollar, with an average of 1 CAD = 0.75 USD.

Note:

- 1. Figures are estimated for the 2025/26 academic year and are subject to change. Some programs include additional costs, and all fees are quoted in Canadian dollars.
- 2. Five 6-credit-hour courses, or 30 credit hours, is the maximum course load for fall/winter. International students must maintain full-time status, which is 18 to 30 credit hours per year.
