

The following are step-by-step instructions to renew your Bill Wedlake Fitness Centre Locker Service by using the University of Winnipeg Recreation Services Member Portal.

\*\*These step-by-step instructions assume that you have already created an account on our

This will display any current locker details you have an agreement for.

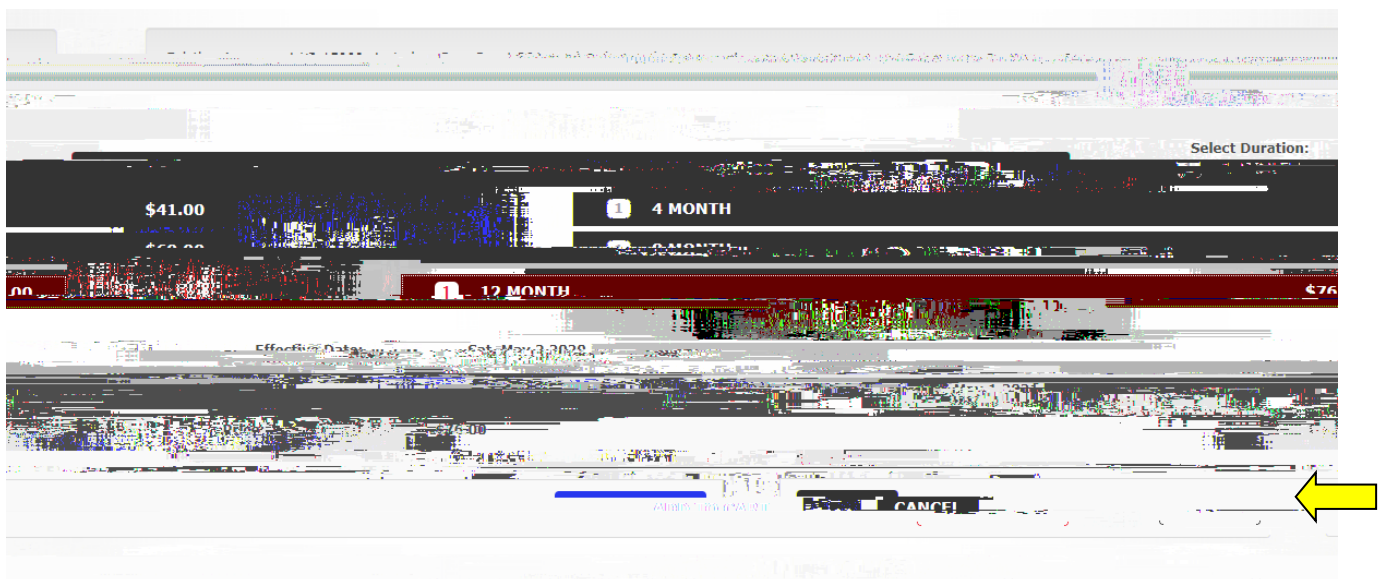

To renew your locker, simply click on the  icon.

You will be given the different membership length options, along with their corresponding

Please select the same duration as your membership end date.

Once you make a selection, the specific locker details will be displayed. If these are correct, click the  icon.

You will be given prompts to review your selections.

At this point, you can click the  button or Continue Shopping button if you wish to purchase additional items. We'll continue the instructions assuming you select the checkout option.

A final warning dialog will appear to inform you that you will be directed to an outside site to process the payment. Again, click the  button.

Please complete payment by following the steps outlined in the payment site.

Once you've completed the process, you will receive a message that the payment was successful and that you will receive an email with the confirmation.
